INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

To the Office of the City Auditor Seattle, Washington

We have applied the procedures enumerated within this report, which were agreed to by the Office of the City Auditor, solely to assist the users in evaluating management's assertion about the Filipino Community of Seattle's compliance with contractual requirements of the Filipino Youth Empowerment Grant issued by the Seattle Department of Neighborhood on July 15, 1995 and ending July 31, 1996. This agreed upon procedures engagement was performed in accordance with standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of the specified users of the report. Consequently, we make no representation regarding the sufficiency of the procedures described therein either for the purpose for which this report has been requested or for any other purpose.

Our procedures were the review of accounting and program records to determine whether the Filipino Community of Seattle complied with the terms and conditions of the attached Filipino Youth Empowerment Grant.

One reportable condition was noted during our review which related to changed scope of services not processed in accordance with the terms of the contract. Details on finding are attached to this report. No additional reportable conditions were noted as a result of applying the agreed upon procedures.

These agreed-upon procedures do not constitute an examination, the objective of which is the expression of an opinion on management's assertions. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information of the specified users listed above and should not be used by those who did not participate in determining the procedures. However, this report is a matter of public record and its distribution is not limited.
